September 2020 Challenges

We are issuing 2 fundraising challenges to be completed during September 2020

Evidence For both challenges all we require are a selfie or two while doing the challenge and/or any description of what you have done or where you went. We trust you on the mileage! We will post a selection of pictures on the website. Medals will be distributed in October once we have received your evidence. Once your challenge is completed email your evidence to normabarrow@btinternet.com by October 5th at latest.

Less physical challenge needed?

Challenge 2

Social Event Challenge and have your profits matched

- Run a <u>small</u> Covid 19 compliant function. A generous anonymous benefactor has offered to match the money you make, up to a total of £400. For example if you raise £5 it will be matched to make £10. (See 2 below)
- Booking your event. To make the profit matching a fair process, would you please <u>book</u> your event with me (normabarrow@btinternet.com) giving the date it is taking place in <u>September</u>. The profit matching will then take place in the order of bookings and once the matching money is used up that's it.
- 3. Suggestions: Morning coffee and cakes/ afternoon tea/ cheese and wine/cake sale or anything else you can think of. See guidance below
- 4. Tell your friends you have a challenge to raise some money and invite them to buy a ticket or make a donation to the Friends.
